RUSHING THE SEASON.

She laid away her furs of gray
And donned a peek-a-boo;
She thought because the month was May
The almanac was true!
She, too, poor girl, was laid away
Today at half past two—
For she laid away her furs of gray
And donned a peek-a-boo!

The strascers did a land office business yesterday in consequence of the fine and enticing weather.

About fifty United States Marines passed here yesterday morning passengers on the C. and O. Fast Flyer going West. They were a fine looking body of men.

Sailor Brown, who has but recently returned from the Asylum at Lexington, created a commotion yesterday at the Memorial Services at Beechwood Park by his queer actions during the opening song service of the meeting.

Owing to the High School entertainment next Friday night the recital to be given at Beechwood Park by Miss Florence Pearce Wade will take place on Thursday evening, May 30th, instead of Friday evening, as advertised. Tickets at J. James Wood & Son's Drugstore.

Leon, the thirteen-year-old son of Mr. and Mrs. John Morse of East Third street, while hunting bears and other large game in the forest near his home Saturday, shot himself in the calf of the leg with his trusty Flobert rifle. Dr. Samuel was called and rendered first aid to the injured, and also cut out the bullet.

The following from a distance attended the funeral of the late Mrs. Ellen Coughlin—Mrs. Kate Cook, Mr. and Mrs. Wesley Fay, Mr. and Mrs. William Cook and son, Mr. and Mrs. John Cook, Mr. Dan Fay, Misses Katie Coughlin and Jeanie McCormick all of Cincinnati and Mr. Thomas Coughlin and daughter of Germantown.

The debris from Saturday morning's front street wreck has been removed and the track placed in a normal condition and travel over the road resumed. One freight car was so badly damaged that it had to be burned. The repair to the viaduct is only temporary, as the bent and broken iron cross beams will have to be replaced with new ones from the shop.

"The New Hamlet," a clever burlesque of "Hamlet" and "Romeo and Juliet" intermixed, will be presented by the Senior Class of the M. H. S. at the Opera-house, Friday evening, May 31st. The play is interspersed with vocal selections, and a delightful entertainment is assured. Tickets on sale at Williams's Pharmacy Tuesday morning. All seats 25 cents.

Saturday R. G. Baker, a cigarmaker in the employ of E. A. Robinson & Co., stopping with Mr. Ed Whittington in Market street, was relieved of a tape-worm that measured twenty-five feet. He had a few days previous passed sixteen feet of the death producer; in all the worm measured forty-one feet. From a large robust man of 180 pounds, Mr. Baker had fallen away to a mere skeleton of himself. Mr. Whittington has the worm in a bottle preserved in alcohol.

There was another cat-astrophe on the C. and O. last Wednesday, the same day of the wreck at Lawrence creek. A very handsome specimen of the Maitese feline family, an especial favorite and pet of her owner, Mrs. Chas. Parry, of West Front street, ventured out upon the C. and O.'s front street tracks and was mercilessly ground into little bits of mince-meat, or catmeat. The railroad tracks seem to be as enticing to animals as they are to the human family as a promenade.

BRIGHT—RUARK.

Mr. Charles E. Bright and Miss Lily May Ruark were married yesterday morning in the Parsonage of the M. E. Church, South, Rev. R. M. Lee officiating.

The groom is employed in the press room of Mr. Thomas A. Davis' Job Printing establishment, while his pet and pretty bride is a compositor on the DAILY LEDGER.

Mr. and Mrs. Bright have been working under the same roof for several years, and now that they have joined hands and hearts in a solemn compact for life, may each be to the other a helpmate and a comfort, in the true sense of the term.

THE LEDGER extends congratulations.

Mrs. McKinley died yesterday afternoon at 1:05.

Captain N. W. Evans of Portsmouth will be the orator of the occasion, next Thursday, "Decoration Day" at Maysville, and will deliver an eloquent address at Beechwood Park. The Judge is a typical vet of the stirring days of "Sixty-one," and if you want to listen to "thoughts that live and words that burn," you must hear the Captain. There will be other speakers and good music and the old boys in blue will be out on dress parade.

MEMORIAL SERMON

Beautiful and Interesting Discourse and Delightful Music and Singing

The Auditorium at Beechwood Park yesterday afternoon was comfortably filled by an attentive and appreciative audience, which listened to an able and pleasing sermon delivered by Rev. G. W. Banton of the Third Street M. E. Church.

The stage upon which the speaker stood was appropriately decorated for the occasion, and pictures of Lincoln, Grant and McKinley occupied conspicuous positions, adding further charm and reminding the grizzly veterans present that they, too, would soon join their beloved leaders who had gone before.

After singing several timely songs, the meeting was opened with prayer by Rev. Miles Wallingford.

The eloquent young Minister took his text from First Samuel, and from the life and character of this man of God he built a thoughtful sermon, comparing events and epochs in ancient history on down to the present time, showing the instrumentality of God throughout.

He paid a glowing and worthy tribute to the humble soldier, as well as extolling the virtues and high character of the leaders.

He speaks eloquently and in a modulated tone of voice, periods beautifully rounded and reasoning power highly developed. As a pulpit orator he is both pleasing and instructive, and that he has a future bright before him is a matter of his own choosing.

Not the least agreeable feature was the charming music rendered by Outten's Orchestra, composed of two brothers and two sisters, accompanied by Mr. J. Harry Richardson on the cornet.

A quartette of male voices sang several pieces that merited the well bestowed approval accorded.

The exercises closed with prayer by Rev. R. M. Lee and Benediction by Rev. G. W. Banton.

Creighbaum, Tailor, No. 6 E. Second st.

Mrs. Lillie Victor has returned to her home at Cynthiana, after a visit in this city.

The plant bed of B. B. McCown, President of the Christian County Union of the American Society of Equity, was destroyed by two men and a note of warning left, advising that no more tobacco be grown.

Because she was not permitted to graduate on account of having attended a dance contrary to the school rules, Miss Sadie McGinnis of Danville has brought suit against the Campbell-Hagerman Female College at Lexington, for \$12,000 damages.

Former Internal Revenue Commissioner Yerkes has exchanged the diamond which his employees at Washington gave him for a silver leaving cap. Mr. Yerkes said he wanted something more indicative of the spirit of the gift than the diamond, and the exchange was made with the consent of the internal revenue force.

Crop conditions are reported improving everywhere and "dollar wheat" has no just claim to existence except in the bucket shops. If ever there was anything in this country which needed a good regulating by the Government, it is these same gambling joints, falsely named "Bucket Shops."

All that now remains of the beautiful observation car "Contra Costa," wrecked at Lawrence Creek, is a pile of iron rods and sahes. The officials removed two carloads of the heat of the furnishings, upholstery, etc., from the wrecked car and then made a bonfire of the junk left. The affair is now only referred to as a tale that is told.

SPEAKING of dry docks, several local option towns in Kentucky have some of the dryest "docs" on earth.

THE New York State Senate has passed the 2-cent passenger rate bill. But as it cuts out all railroads under 150 miles in length, it will never meet with popular approval or prove its constitutionality.

RAILROAD managers now say that the too light rail is responsible for many of the greatest railroad accidents. The under-weight rail, coupled with the over-weight engine and train, and a speed of sixty miles an hour, is a combination sure to produce a record-breaking smash-up. Always buy an accident ticket, regardless of the weight of the rails or the speed of the train.

Sunday's Courier-Journal contained a picture of Mrs. Judge Halsey, who lost her life in the Lawrence creek wreck. The picture was taken 20 years ago.

Judge Cantrill the Partisan Democratic Jurist to Resign Today

A Sunday dispatch to the Associated Press, dated Georgetown, Ky., but inspired from Frankfort, says:

To refute the charges of Kentucky Republicans that Judge James E. Cantrill is a pensioner by holding his position on the Appellate Bench, W. P. Walton, Editor of The State Journal at Frankfort, Judge Cantrill's lifelong friend and supporter, will tomorrow morning publish an editorial asking him to resign.

It is reported that Judge Cantrill will resign Monday, provided Governor Beckham will appoint as his successor a man of his choice. Judge Watts Parker of Lexington, is said to be Judge Cantrill's choice.

It will be remembered that in a speech in this city a few years ago, this partisan Jurist boldly asserted that "But for me there would not now be a Democratic official in office at Frankfort."

Is it any wonder that political anarchy reigns in old Kentucky?

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

SPRINGDALE, KY., May 13, 1907.

Editor Public Ledger: Dear Sir: It hath been said "A constant drip will wear the rock." So will a persistent and well-directed kick develop and expose the "Boes"; for instance the kicks against the turnpike mismanagement in this end of the county has brought to the front, one William Lintrell, Assistant Supervisor free pikes of Mason county, who does not hesitate to place himself in the Ananias column. Ah! William, it is not a question of meddling, nor veracity, but of good roads, and of cold facts; for you very well know that the Springdale road has never been in good condition, since you were given charge of it, and of other roads the same truth will apply; you know that you have persistently wasted and squandered the road funds by paying favorites for removing dirt from one ditch and dumping it into the opposite ditch; you know you are now paying hands for piling dirt on the adjacent and opposite margins in heaps, thereby building a deeper trough when a simpleton would say, "put in the filler" a few feet away. You know you are practicing graft on the taxpayers, when you persist in using broken stone costing \$3 per, when you can give us a better and smoother road at \$1 per. A little steal of two to one from the taxpayers pocket. You know that the little piece of road referred to in your vicious attack upon C. C. Degman has not had a lick of work on it since you applied your colossal brain to the matter of repairs. You know that it is the best and smoothest piece of road in your bailiwick. But you don't know that a very little labor and gravel properly applied now would make it a model for another five years; that's how long a properly constructed road will last W. M., without repairs. You don't know this, because you lack turnpike brains! You may not "stand a convicted liar" but you will be proven a willful falsifier of facts when the Fiscal Court Committee accepts your invitation to inspect. I am on the ground and will cheerfully put their fingers on the spot, time and place. You, I have no doubt are very well qualified (with a letter aid) to find upon the

record where a former Fiscal Court Committee made a little mistake, when the county did not lose some "tainted money," but you are too incompetent to see where you are losing the taxpayers two dollars out of every three that you take out of their pockets to repair the Springdale road, the Owl Hollow road and the Lewis and Mason road from Planville hill to the Lewis county line on Cabin creek. You are a "heat," but you won't get out of the way and let some "boes" that knows how to eat hay. Oh, no! As one of your henchmen up this way expressed it, "you know how to hold your job."
C. C. DEGMAN.
P. S.—The little space between (which Mr. Lintrell says was the last "straw," so to speak, or the beginning of all the trouble,) was finished with creek gravel from Mr. Degman's pit, designated by Mr. Lintrell "a conglomeration of sand and loam mixed with enough pebbles to make it appear decent." That same conglomeration, in which there was not a pebble, is there yet, on that steep grade, having withstood five years of heavy traffic; and this same glorious gravel pit is now offered absolutely free to the Fiscal Court for repairs on this road, but the dog is in the manger and

says nay. Was it graft that compelled me to build that space between? Every one, including William Lintrell, knows it was not in my contract. Selah!

MISS JULIE FLORENCE WALSH

WOMEN SUFFER

Many women suffer in silence and drift along from bad to worse, knowing well that they ought to have immediate assistance.

How many women do you know who are perfectly well and strong? The cause may be easily traced to some feminine derangement which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, dragging sensations, flatulency, nervousness, and sleeplessness.

These symptoms are but warnings that there is danger ahead, and unless heeded, a life of suffering or a serious operation is the inevitable result. The best remedy for all these symptoms is

Lydia E. Pinkham's Vegetable Compound

made from native roots and herbs. No other medicine in the country has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female ills.

Miss J. E. Walsh, of 328 W. 86th St., New York City, writes:—"Lydia E. Pinkham's Vegetable Compound has been of inestimable value in restoring my health. I suffered from female illness which caused dreadful headaches, dizziness, and dull pains in my back, but your medicine soon brought about a change in my general condition, built me up and made me perfectly well."

Lydia E. Pinkham's Vegetable Compound cures Female Complaints, such as Backache, Falling and Displacements, Inflammation and Ulceration, and organic diseases. It is invaluable in preparing for child-birth and during the Change of Life. It cures Nervous Prostration, Headache, General Debility, and invigorates the whole system.

Mrs. Pinkham's Standing Invitation to Women
Women suffering from any form of female weakness are invited to write Mrs. Pinkham, at Lynn, Mass. Her advice is free.

Judge Halsey Had to be Carried From Train on Stretcher at Milwaukee

A Saturday dispatch from Milwaukee noting the arrival of two of the Lawrence Creek wreck victims, says:

"Surrounded by his associates on the bench and the entire Milwaukee Bar Association, Judge Lawrence W. Halsey, who was painfully injured Wednesday in a railroad wreck at Maysville, Ky., was conveyed from the Northwestern Railway today to his residence on Lake Drive. At the same time the remains of Mrs. Halsey were taken to undertaking rooms, and later to the stricken home, from where the funeral took place this afternoon at 3 o'clock.

Judge Halsey was unable to assist himself, and it was necessary to place him on a stretcher. It is believed that it will be a long time before he is able to resume his judicial duties. The Judge's special car arrived at Milwaukee at 11 a. m. Saturday morning.

About 2,000,000 bushels of coal have been started from Pittsburgh. The boats in the fleet are the Tom Rees, Coal City, Exporter and Valiant, with seventeen barges and light boats each; the Reaper; the Monitor, and the G. W. Thomas.

The only accident to the coal fleet was the grounding of the tow of the W. C. Jutte at Walling bar, just below Pittsburgh. One barge was sunk and the Rival assisted in pulling off the tow. The other tows escaped being caught by the falling water.

The Ferry Boatmen's Association was organized at Pittsburgh. The ferry boatmen assert that hostile legislation has been enacted unwittingly and their Executive Committee will appeal before the next session of Congress and the various State Legislatures to set forth the Association's grievances.

Fish are leaving the Wabash river at Maume, Ill., on account of the presence of crude oil, which is covering the surface of the water. The oil has escaped from the Robinson and Casey fields and has floated down stream. Fishermen declare that hardly a fish can now be caught in the main channel of the stream, but that all side streams are crowded.

The readers of this paper will be pleased to learn that there is at least one cured disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Maysville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit. A. W. McClanahan of A. W. and B. P. McClanahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me for twenty years and seemed to be growing worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire."

For sale by all dealers. Price 60 cents a box. Foster-McIlburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
